### Instructions:

1. It is important for students to have their University ID and Admit Cards with them during examinations. Both documents should be displayed on a corner of the table or chair to ensure they are easily visible. Please note that students who do not have these documents with them will not be allowed to take the exam.
2. Courses having at least 80% attendance appear on the admit card and the student is eligible to appear in the examination of respective courses enlisted on Admit card.
3. Mobile phones, smartwatches, and any electronic devices capable of communication or data storage, as well as books and written materials, are strictly prohibited in the examination hall. Possession of such items during the exam will be considered an attempt to use unfair means. Invigilators may inspect these items during the exam. Confiscated items will be sent to the Unfair Means Control Committee (UMCC) to determine the penalties. The university is not responsible for any damage to confiscated items.
4. Students must arrive at the exam hall at least 15 minutes before the exam starts. Late arrivals will not be allowed entry. Students are also not permitted to leave the examination hall until one hour after the exam has started.
5. Invigilators and other officials involved in the examination process must be treated with respect by all students.
6. No eatables are allowed inside the examination hall.
